## **This Year's Theme:** Many Cultures, One World

Choose a piece of poetry or a rhyme that is written in a language other than English to recite at the 6th Annual International Languages Expo. You may recite a short piece by yourself, or if you wish you may choose a longer piece to perform with a partner. You may want to choose a piece that relates to the theme, "Many Cultures, One World."

Practice a lot and work on the way you enunciate (pronounce) the words so that you come prepared. Use dramatic pauses (where applicable). Look at the audience when you speak. Make the words come alive!

Readings will take place between 10 am and 1 pm. Participants need to register in advance by contacting the International School of Arizona. Please submit your registration form and a copy of your poem by March 31, 2012.
