

ISA French & Spanish Summer Camp 2012

Description:

A summer program designed for children, ages 2-8, interested in learning the French or Spanish language and culture in a fun and enriching environment. Children can sign up for one to nine weeks, with both full and half day camps available. Campers will be divided into 3 groups based on age:

Children ages 2 & 3 will be in a Multicultural Camp, where they will gain exposure in both French & Spanish. 4 & 5 year olds may choose from a French or Spanish Camp, and then 6, 7 & 8 year olds may choose French or Spanish Camp.

Each 3-week session is based around a continent theme and campers will focus on the culture of that region. The morning will be dedicated to learning the basics of the foreign language of choice. Children will engage in language learning and cultural activities, explore arts & crafts from the each continent, drama, cooking, movement, music and much more, led by members of ISA's international faculty. Campers will put on a performance at the end of each 3-week session to show off their new language skills.
