

STRATEGIC VISION

**Opening doors to success
in a constantly changing world**

ISA VISION STATEMENT

We believe global understanding starts here. We encourage and develop global citizens to have the drive, capacity, and skills to positively impact the world.

GUIDING PRINCIPLES

DEVELOP ACTIVE CITIZENS OF THE WORLD

We develop internationally-minded citizens of the local and global community who actively make the world a better place.

FOSTER MULTILINGUALISM

We create supportive environments that allow our students to harness the power of languages to enhance their problem solving abilities, increase communication abilities, and see the world through the eyes and hearts of others.

SUPPORT & INSTILL A DESIRE FOR ACADEMIC EXCELLENCE

We foster academic excellence with rigorous learning expectations, supported by our national and international accrediting authorities and global education partners.

ISA VALUES

A Distinctive and Dynamic Academic Program

The world is changing rapidly and ISA is committed to cultivating a transformative learning environment to inspire students to embrace change with resilience, creativity, and a global perspective. Fueled by innovation and guided by ISA's Portrait of a Graduate, we strive to mold compassionate leaders who thrive in the unknown, shaping a brighter, interconnected world.

An Engaged Community

ISA is an engaged community where everyone contributes to the fulfillment of our mission and vision, each benefitting from the full and enthusiastic participation of the others. Like a family, we build and sustain connections with and among our students, staff, families, alumni, and our local and global community enriches and improves the learning environment and experiences of all.

A Transformative Experience for All

We recognize that a strong school culture is paramount to the success of our school and fulfilling ISA's mission and vision. Our commitment is to ensure our students, families, and staff are inspired, supported, and focused on the present and future.

A Bold and Sustainable Future

ISA implements a short-term and long-term financial plan in order to ensure the school's fiscal health, including its ability to support institutional objectives and strategic initiatives and responsibly address unanticipated challenges.

PORTRAIT OF A GRADUATE

CURIOUS PROBLEM SOLVER

I am proud of what I know and am eager to learn and perceive the world in new ways. I make thoughtful decisions, solve problem, and take appropriate risks with my learning. I am not afraid to fail as this allows me to reflect and grow. I believe in my ability to grow and learn.

INSPIRATIONAL LEADER

I am a leader and understand that my ability to lead begins with my character. My leadership begins with modeling kindness and respect towards others. I build respectful relationships with diverse individuals and groups, building networks to achieve individual and collective goals.

COMPASSIONATE COMMUNICATOR

I understand the importance of multilingualism and the doors this ability opens for my future. In every interaction, I understand that the ideas and feelings of others are just as important as my own. Understanding that conflict and disagreement are inevitable, I have the skills to facilitate fair, peaceful, and successful resolutions. I am thoughtful, compassionate, empathetic, and effective communication.

ADVOCATE OF SELF AND OTHERS

I am an advocate for myself and for others, speaking up for my own rights and the rights of others.

POWERFUL, AMBITIOUS, BALANCED

I purposely explore my interests and passions. I find ways to serve others, the community, and the world. Because I know myself and I am curious about my world. I am prepared to identify an impact only I can makes, and I will make it. I strive for balance in my life, knowing it will benefit my personal well-being, and the ways in which I am able to contribute to the world.

CITIZEN OF THE WORLD

I am a citizen of the world. I know my actions can and do makes an impact and my influence begins, with my family, school, and local community. I lead by example in caring for the natural world and for humanity.
